EEA's LED Lamp Rebate Application

TRI-STATE THE POWER BEHIND YOUR LOCAL ELECTRIC CO-OP

Your Touchstone Energy® Partner
The power of human connections®

You must have an active electric account at Empire Electric to qualify for LED rebates.
Rebates must be requested within 120 days of purchase date. LED light bulb rebates will be issued as a credit on your electric bill. Please allow at least one billing cycle for your credit to appear. Submission of this application does not guarantee a rebate.

LED Light Bulb Rebate Qualifications

LED Lamp with a lumen output of <u>500 or greater.</u>

Rebates cannot be issued for products where packaging does not clearly indicate qualifications and rebates will not be issued for bulbs that do not meet **<u>all</u>** qualifying product requirements.

LED Bulb Rebate Details

50% of the cost of each bulb, up to $8 per bulb ••• Maximum of 50 bulb rebates per member, per year.

Is your application packet complete? Please include the following:

- ☐ Rebate application form.
- ☐ Copy of purchased receipt with LED purchase and date highlighted or circled.
- ☐ Photo copy of the original packaging representing each type of qualified bulb purchased. Photo copy must show bulb style and lighting facts including lumen output of 500 or greater.
